Policy Statement	
Policy Statement:	
<p>The university is committed to providing scholarships and financial aid to promote equitable access to education and reduce financial burdens for low-income students, supporting their academic continuity and success.</p>	
▪ Policy objectives (desired outcomes):	
1. Provide scholarships and low-interest loans to alleviate financial burdens on students.	
2. Enable low-income students to continue their university education.	
3. Ensure equity and inclusivity in the provision of financial support.	
▪ Related procedures:	
1. Scholarship Allocation Procedure	
2. Low-Interest Loan Procedure	
3. Financial Aid Procedure	
▪ Key Performance Indicators (KPIs):	
1. Number of Students Receiving Scholarships	
2. Number of Students Receiving Low-Interest Loans	
3. Average Amount of Financial Aid Per Student	
▪ Recommendations of the last review:	

1. Increase the budget for scholarships in line with annual demand.
2. Develop annual review mechanisms to assess scholarship eligibility and update selection criteria.
3. Establish a transparent system to track the distribution of scholarships and financial aid, ensuring fair allocation.
